

The header features a blue background with a white line graph. The graph has several data points connected by a line, with some points highlighted by blue circles. The background also includes a light blue wavy pattern.

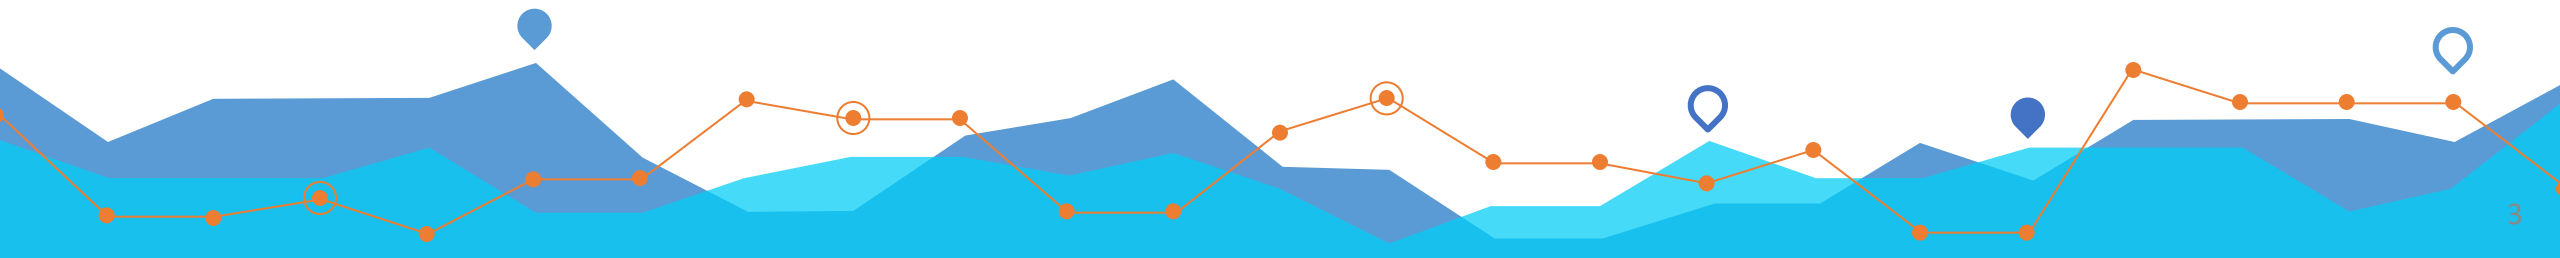

Presentation of Two side Marketplace

HELLO!

I am Xinzhe Yu

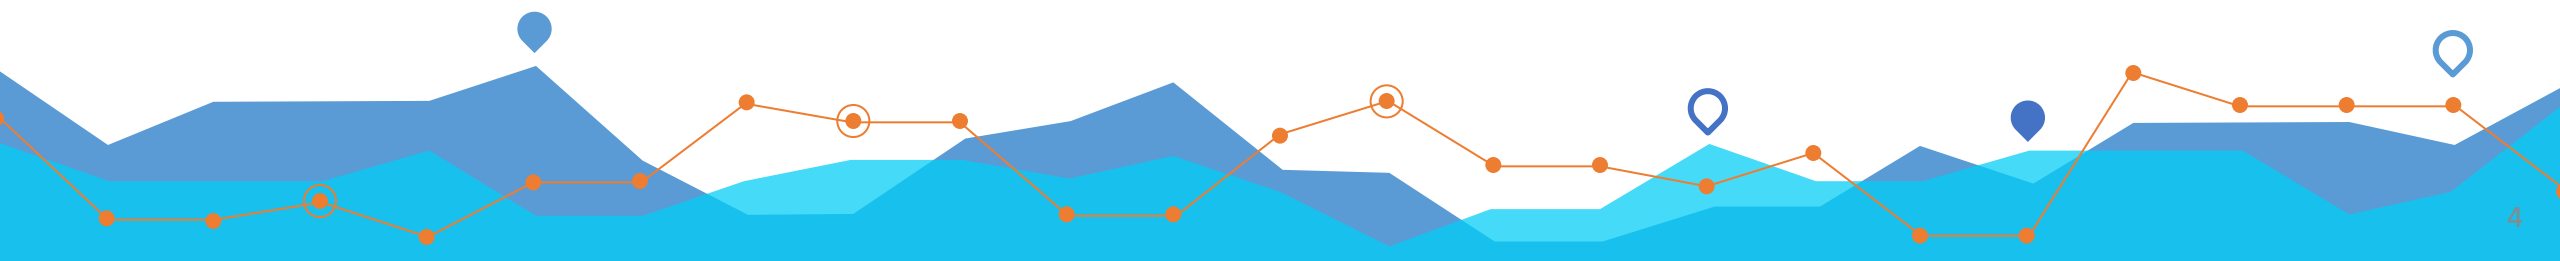

BandFleaMarket is a second-hand music shop.

1. AWS S3
2. Heroku
3. Trello
4. Bootstrap and other gems

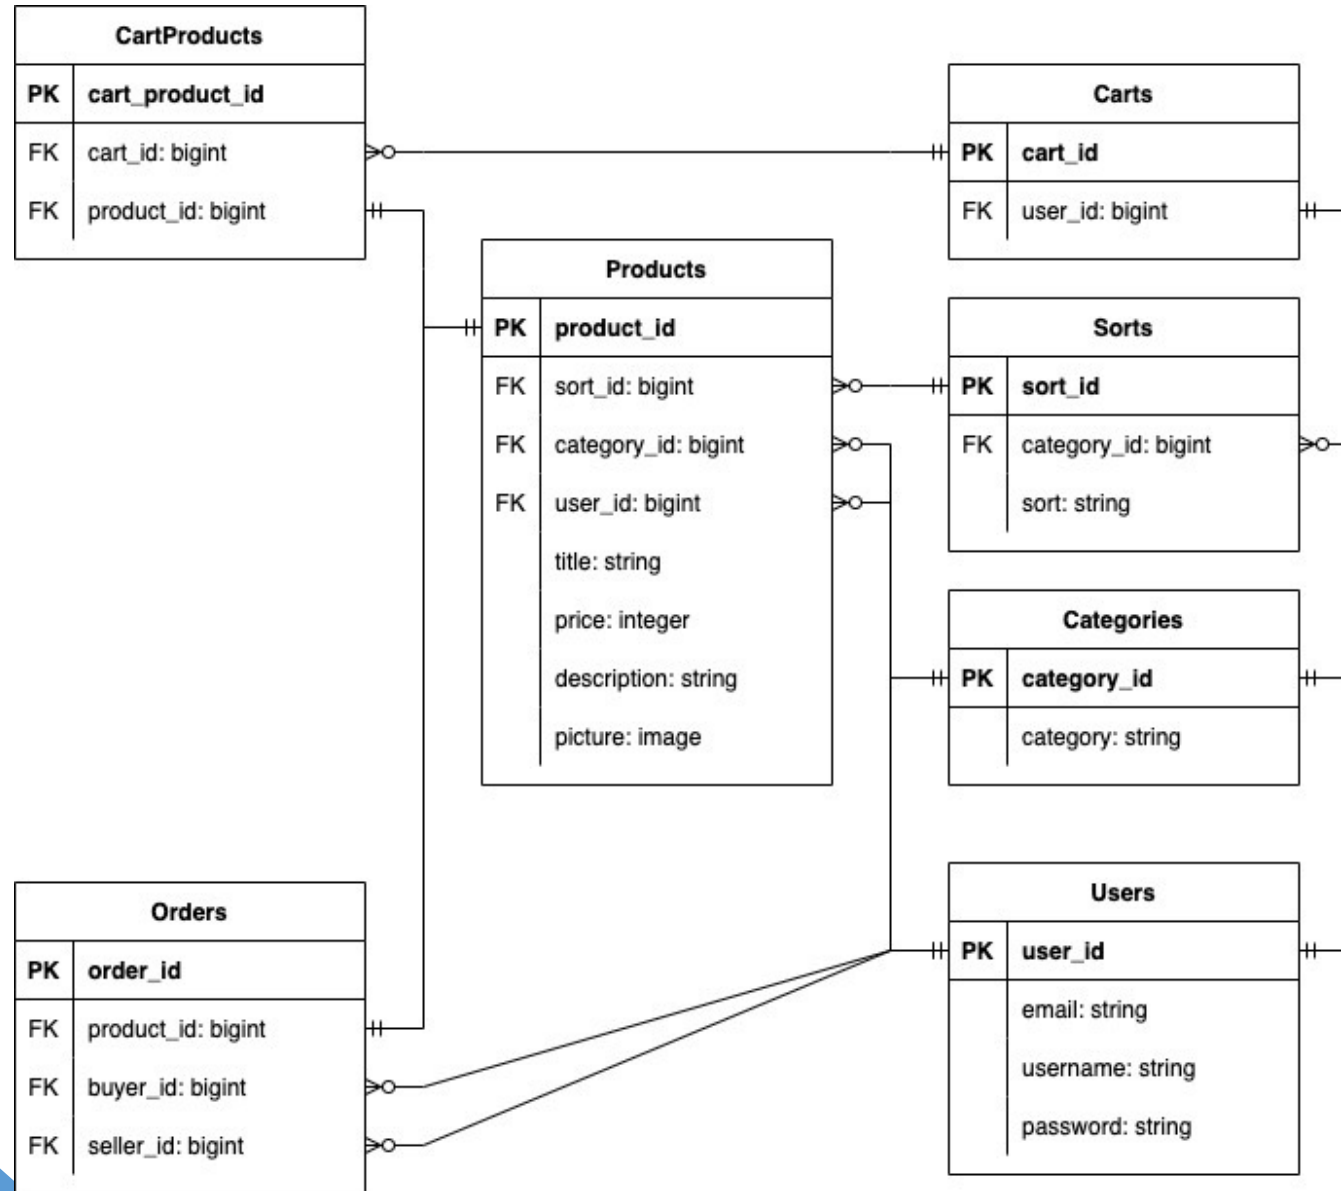

Features of BandFleaMarket

1. Customers can buy and sell products
2. Customers can have their own account
3. Customers can have their own cart to add the products
4. Customers can check the products in different categories or sorts
5. Customers can buy the products and check the orders

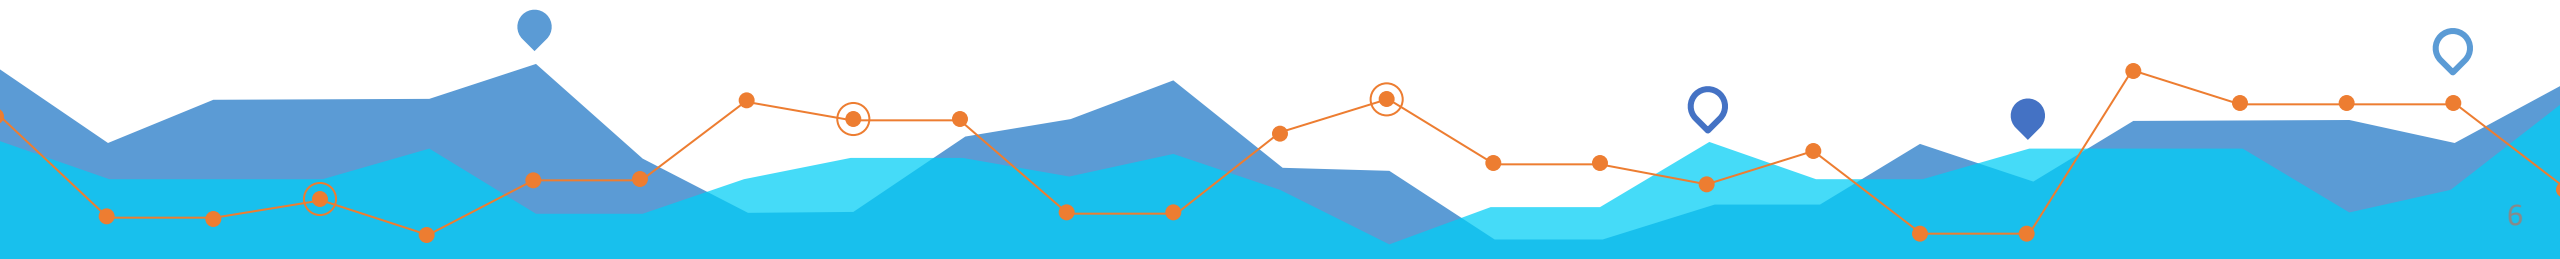

ERD of BandFleaMarket

What's difficult?

1. Establish relations among products, users and carts
2. Authorise different pages
3. Spend much time on Rails Helpers

Let's go shopping in BandFleaMarket!
